

## Did You Know?

- SSM Health Cardinal Glennon Children's Hospital serves every child and family that walks through the hospital doors, regardless of race, ethnicity, religion, gender, socioeconomic status, or ability to pay.
  - In fact, 65% of the families served by our hospital are considered low-income due to Medicaid status.
- In 2022:
  - We distributed more than **80,000 books** to low-income children through their pediatrician office visits, knowing there is a strong link between education and health.
  - We distributed nearly **1,000 helmets** for children whose families could not afford them.
  - We distributed more than **4,000 home safety items** through our pediatric offices, emergency rooms, urgent care, and partner agencies, including gun locks, safe sleep environments, and more.
  - We distributed **794 car seats** to families who could not afford them and completed **1,376 car seat inspections**.
  - We served **15 at-risk youth** through our Life Outside of Violence (LOV) program, aimed at breaking the cycle of violence in our community.
  - We distributed approximately **3,000 gas cards** to families to help offset travel expenses to and from the hospital for appointments and treatments.
  - We distributed more than **800 winter coats** to families in need through our Danis Pediatric Center.

Your support of the Sun Run means that we can help all children dream big and achieve a **#FutureDeserved**.
