

Fundraising Email Templates

Emails should play a key role in your fundraising strategy. They offer a quick and easy option for you to speak directly to friends and family. Plus, they can link directly to your page offering an easy donation avenue!

Be prepared to be pleasantly persistent with your outreach. Some people might respond right away, but it might take a couple emails to get a response from others. We recommend making a schedule for outreach. Whether it's weekly or monthly, your follow-ups will help build a path to fundraising success!

See below for suggested copy to help you craft winning emails to your contacts. Feel free to customize them as needed, or even start from scratch to meet your own personal style!

Asking for Donations

Hi [First Name],

Do you remember what you wanted to be when you grew up? Did you aspire to be an astronaut, a doctor, or something else entirely? Did your health ever get in the way of those big dreams?

For many of us, our health never prevented us from dreaming big and seeking to achieve our highest potential, but that's not the case for all children in our community. Too many kids today must remain focused on just trying to stay healthy instead of achieving their dreams. SSM Health Cardinal Glennon Children's Hospital seeks to let all children reach for their highest potential by ensuring their doors are always open for a child in need as they are more than just a hospital, they are a devoted partner in the health and well-being of families.

This is why I am asking you to support me in the 2025 Sun Run benefiting Cardinal Glennon Children's Hospital. I have set my fundraising goal at [\$XXXX] and would love your support. Together we can help all children achieve **A Future Deserved**.

Donation Reminder (Send at least 1 week after first email)

Hi [First Name],

Don't forget! I am participating in the 2025 Sun Run to support Cardinal Glennon. I've set a personal goal to raise [\$XXXX] and I still have [\$XXXX] that I need to raise to meet my goal. Would you consider donating? Your support will allow more kids in our community to reach for the stars and realize **A Future Deserved**.

Just a few examples of how your gift could make an impact:

\$100 – Can help cover the cost of a new, age-appropriate car seat for a family in need - along with valuable education - to ensure their child is safe on the road.

\$50 – Could help provide nutritious meals for a week for a parent facing food insecurity whose child is hospitalized.

\$25 – Can cover the average hourly cost for social work or pastoral care support for our families.

\$10 – Can buy a gas card for a family in need, to help make sure they can make it to their child's medical appointment.

Thanks so much!
